Education

Residency in Binocular Vision/Neuro-Optometry, University of California at Berkeley, School of Optometry, Berkeley, CA	2013-2014
O.D., University of California at Berkeley, School of Optometry, Berkeley, CA GPA 3.89/4.0	2009-2013
B.S. in Biochemistry and Cellular Biology, Bucknell University, Lewisburg, PA <i>Summa cum laude, Phi beta kappa, Mortar board, GPA 3.92/4.0</i>	2005-2009

Current Position(s)

Chief Medical Officer C. Light Technologies Boston, MA/Richmond, VA	2022-present
Owner/Founder/Neuro-Optometrist Virginia Neuro-Optometry/Concussion Care Centre of Virginia Richmond, VA	2020-present
Primary Offsite Telemedicine Consultant Eyepacs LLC Berkeley, CA	2015-present

Professional Experience

Neuro-Optometrist for Northern California Region Kaiser Permanente San Rafael, CA	2014-2020
Clinic Chief, Founder, Lead Researcher Sports Vision and Concussion Clinic, University of California at Berkeley Berkeley, CA	2015-2017
Optometrist La Clinica de La Raza Oakland, CA	2014-2015
Optometrist Lumina Optometry San Anselmo, CA	2014-2015
Optometrist Marin Eye and Ear Greenbrae, CA	2014
Optometric Intern Castle Family Health Center Atwater, CA	2013
Optometric Intern Alameda County Medical Center Oakland, CA	2012
Pediatric Optometric Intern Bascolm Palmer Eye Institute Miami, FL	2012
Optometric Intern San Francisco Veterans Administration San Francisco, CA	2012

Academic Appointments

Assistant Professor Department of Physical Medicine and Rehabilitation Uniformed Services University, School of Medicine Bethesda, MD	2022-present
Assistant Clinical Professor Department of Optometry – Binocular Vision/Neuro-Optometry Clinics University of California at Berkeley Berkeley, CA	2014-2017

Other Positions and Employment

Department of Defense/Defense Health Agency J-9 Vision Center of Excellence Clinical Research Consultant/Subject Matter Expert	2022-present
Horizon Therapeutics – Advisory Panel	2021-present
Vision Science Labs – Advisory Board	2020-2022
C. Light Technologies – Clinical Consultant	2014-present
Chief Medical Officer	2022-present
Kaiser Permanente – Unit Based Team/LMP Co-lead	2014-2020

Certification and Licensure

Virginia Optometry License (active)	2020-present
California Optometry License (active)	2013-present
Colorado Optometry License (inactive)	2015-2019
CPR Certified	
CITI training	2013-present
<ul style="list-style-type: none"> o Biomedical Research – Human Subjects Training 3-21-21 to 3-20-24 o Information Privacy Security (IPS) – Clinicians 3-21-21, exp n/a o Conflicts of Interest – 4-1-21, exp 3-31-25 o Good Clinical Practice for Clinical Trials Involving Investigational Devices, 4-3-21, exp 4-2-24 o RCR Basic Course – 7-16-21, exp 7-15-24 	2021-present

Professional Memberships and Activities

Intrepid Eye Society	2022-present
Vestibular Disorders Association (VEDA)	2021-present
Brain Injury Association of Virginia (BIAV)	2021-present
Virginia Optometric Association (VOA)	2020-present
VOA Board Vice President	2022-2023
VOA Board of Trustees	2021-2022
VOA Education Committee	2020-present
Richmond Optometric Society (ROS)	2020-present
ROS Board Secretary/Treasurer	2022-2024
Neuro-Optometric Rehabilitation Association (NORA)	2015-present
American Academy of Optometry (AAO)	2010-present
Currently pursuing diplomate in Binocular Vision	2022-2027
Cochrane Review Course Series	2022-2023
FLOM Leadership Course Series	2021-2022
Fellowship	2014
Alameda and Contra Costa Counties Optometric Society (ACCCOS)	2013-2020
ACCCOS President Elect	2019-2020
ACCCOS Director of Corporate Relations	2016-2019
ACCCOS Secretary	2015-2016
California Optometric Association (COA)	2013-2020
COA Healthcare Delivery Systems Committee	2018-2020
COA Contract Advisory Committee	2018-2020
American Optometric Association (AOA)	2009-present
AOA Evidence-Based Optometry Committee	2021-present
AOA Vision Rehabilitation Committee	2021-present

Student Optometric Leadership Network (SOLutioN), Co-Founder	2011-2019
Advisory Panel	2016-2019
Board of Directors	2013-2016

Honors and Awards

Virginia Optometric Association – Young Optometrist of the Year	2022
Richmond Magazine’s Top Doctors	2021
California Optometric Association – Young Optometrist of the Year	2019
Marvin R Poston VSP Excellence in Primary Care Scholarship Award	2013
Vision West Scholarship Award	2013
Drs Bernhardt N. & Lawrence S. Thal PSSF Scholarship Award	2013
Drs. Morton D. Sarver & Donald. S Sarver PSSF Scholarship Award	2012
Walmart Optometry Scholarship Award	2012
Drs. Morton D. Sarver & Donald. S Sarver PSSF Scholarship Award	2011
Berkeley Optometry Community and School Service Award	2011
Walmart Foresight Award – School Winner, National Competitor	2011

Educational Activities

UC Berkeley Asst Clinical Professor – Sports Vision and Concussion Clinic Supervision of graduate student in clinic and development of program	2016-2017
UC Berkeley Asst Clinical Professor – Binocular Vision Clinic Instructed/supervised graduate optometry students (10 per semester) in evaluating and treating patients with diplopia and neurologic visual complaints in a clinical setting	2014-2015
UC Berkeley Clinical Teaching Assistant – Binocular Vision Clinic	2013-2014
UC Berkeley Clinical Teaching Assistant – Primary Care Clinic	2012
UC Berkeley Didactic Teaching Assistant – Physiological Optics	2011
UC Berkeley Didactic Tutor – Ocular/Systemic Pharmacology	2011

Research Experience, Grants and Contract Awards

VCE-USU TBI Visual Dysfunctions Research Workshop Role: Clinical Research Consultant Affiliated with US Department of Defense/Defense Health Agency and J-9 Vision Center of Excellence	2022-present
Retitrack – FDA Medical Device Clearance Testing Role: PI Affiliated with C. Light Technologies	2021-present
Concussion Assessment Utilizing MoVES Protocol and VisQual-T survey Role: Clinical Researcher/Remote site PI: Chang Yaramothu, PhD Affiliated with New Jersey Institute of Technology	2021-present
Use of TSLO (Tracking Scanning Laser Ophthalmoscope) in Collegiate Varsity Athletes Role: Lead Clinical Researcher PI: Christy Sheehy, PhD NIH SBIR Phase 1– Berkeley Subcontract with C. Light Technologies Subcontract amount \$14,400	2016-2017
Pre- and Post-Concussive Binocular and Oculomotor Function in Collegiate Varsity Athletes Role: Lead Clinical Researcher PI: Michael Silver, PhD	2015-2017
Role of microRNA 184 in corneal lymphangiogenesis Role: Student Researcher PI: Lu Chen, MD, PhD NIH T35 Summer Research Grant	2010

Editorial Board Appointments

Guest Editor, Journal of Neurorehabilitation: Issue on Vision Disturbances in Brain Injury	2022
Peer Reviewer for Journal of Brain Injury	2020-present
Peer Reviewer for Journal of Optometry and Vision Science	2020-present
Peer Reviewer for Review of Optometry	2019
Peer Reviewer for Shaken Brain: The Science, Care and Treatment of Concussion by Elizabeth Sandel. Harvard Assoc Press, Cambridge MA 2020	2019

Community Service Experience

Concussion Awareness ® – Student/Intern Mentor	2021-present
Bay Area Optometric Council – Student Mentor	2019-2020
Lions in Sight – Vision Clinic Optometrist, Merida, Yucatan, Mexico	2018
Lions in Sight – Vision Clinic Optometrist, Jerez, Zacatecas, Mexico	2018
American Indian Public Middle School Vision Screening	2012
Hot Meals for the Hungry – Sous Chef, Berkeley, CA	2011-2012
Unite for Sight – Vision Clinic Coordinator, Tegucigalpa, Honduras	2009
Unite for Sight – Vision Clinic Optometric Outreach Volunteer, Asikuma, Ghana	2008
